Dear Brian:

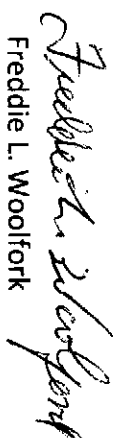

The Gifford Youth Activity Center would like to thank you, Jarvis Construction and Emergency Services and NAPA Auto Parts of Vero Beach for the generous Christmas toy drive that benefited the families of Indian River County. Words cannot express the joy and gratitude that that the GYAC staff, families, and volunteers feel. The gifts and Christmas dinner brought smiles to all of us. We appreciate everything that you do.

The support and sponsorship of Pearl's, Jarvis Construction Emergency Services, and NAPA Auto Parts of Vero Beach is greatly appreciated by the Board of Directors and Staff. We are very excited about the future of the Gifford Youth Activity Center and the help that it is offering our students. We would like to invite you and any family or friends to come and tour this "Miracle on 43rd Avenue". Our mission is to take over where you left off on Christmas Day in providing a bright and shining Christmas every day for our youth and families of Indian River County. Again, thank you so very kindly for your magnanimous gesture. We wish you a happy and prosperous New Year and continued success. Looking forward to 2010's Bright and Shining Christmas.

Thank you,
